Working with trigger bands.

Lymphatic massage

🕒 60-70 mins / 100€

Elimination of puffiness, lymphatic congestion in the tissues of the whole body, but not by squeezing, but by accelerating the lymph flow from 2 mm/min to 10 mm/min.

Deep tissue massage

🕒 60 mins / 90€

🕒 90 mins / 110€

Deep tissue massage uses slow deep strokes and pressure to act on the inner layers of muscles and connective tissues, it is especially used to treat chronic pain and tight areas such as stiff neck and upper back, lower back pain, releasing sore and tight muscles and providing ease and free range of motion physically and mentally.

Sports massage

🕒 60 mins / 90€

🕒 90 mins / 110€

Sports massage is a form of body work designed for participants in sports competitions. Uses a variety of massage pressures and techniques to help prevent sports injuries, prepare and maintain the body for sports activities in optimal condition, and help athletes recover from workouts and injuries, improve ease and efficiency of movement, and awareness of the mind-body connection, and also improve mental state and alertness in general.

MASSAGE

Baby massage

🕒 60 mins / 90€

🕒 90 mins / 110€

Baby massage is a long tradition in many cultures, gentle rhythmic stroking and stretching massage interacts with the feelings of feeling love, stimulates the circulatory and digestive systems, hormonal and immune systems, coordination and balance, learning and concentration, helps muscle development and growth, supports the mind and awareness child's body, improves sleep structure, reducing anxiety and promoting relaxation.

Reflexology

🕒 60 mins / 90€

🕒 90 mins / 110€

SPA MASSAGE

Signature ONEWELL anti-cellulite massage

🕒 60 mins / 90€

🕒 90 mins / 110€

Anti-cellulite massage helps to stimulate the deep layers between the skin and muscles to break down fat cells that accumulate under the skin. This treatment improves blood and lymph circulation and infuses tissues with cleansing oxygen to reduce and eliminate cellulite and restore healthy skin.

Lymphatic drainage massage

🕒 60 mins / 90€

🕒 90 mins / 110€

Lymphatic drainage massage is a technique of hardware (mechanical) or manual (manual) impact on the body, which affects the movement of lymph through the body. This type of massage has not only a cosmetic, but also a healing effect. The key feature is the impact of the massage therapist on pre-selected areas of the body, and not just warming up certain muscles. Massage movements are performed by a specialist strictly along the lines of the lymph flow, which helps to activate the movement of fluid in the body.

Sculpting massage

🕒 60 mins / 90€

🕒 90 mins / 110€

The technique is aimed at working out both superficial and deep-lying muscles. The volume of subcutaneous fat is reduced both due to the outflow of excess water, and due to direct massage, which helps to break down deposits, affecting excess body volume. Sculpting massage starts local metabolic processes, stimulates blood circulation and lymph flow in tissues. Blood rushes more actively to the massaged area, bringing nutrients with it, saturating the tissues with oxygen and removing decay products. Muscles become more elastic, straighten out.
